## Bouse Chamber of Commerce

My intention as Chamber president has been to promote a spirit of collaboration and cooperation within our community. I fully support the businesses, civic organizations and individuals in Bouse and its surrounding communities. As I work towards helping our members in realizing their goals through the resources of our Chamber, I ask in return that you help our Chamber by supporting our community in those endeavors that improve and protect the history and culture of the Bouse Community.

I encourage civic participation among our members and the the community. I believe that it's not always about our own financial bottom line. The Chamber is about the social, ecological and historical bottom line as well. I will continue to work on building positive relationships between the community and businesses even though sometimes those plans do not always happen the way we plan, but that does not mean it won't happen.

There is great value in maintaining and improving our community, personally and financially. As part of the board of this organization, it's not our role to tell members what's good for them and the community. Our role is partly that of a facilitator and resource for information dissemination. We want to hear what you have to say about making things better. I hope that you'll take any opportunity to contact me directly or come to a meeting to discuss your ideas or suggestions.

We have already started meeting with other groups and chambers to plan for the 2016/17 winter season, working on the calendar of events and other projects. My hope is that all the members of the Chambers of Commerce and the communities of La Paz County continue to work together. I urge you, if you haven't already done so, to join us by becoming a member of the Bouse Chamber of Commerce. We can accomplish so much more together!

Finally, we have to say 'Adios' to more of our snowbirds as they head to all parts of the country. Be safe and we hope to see you again later in the year upon your return.

### Meet and Greet the Candidates in Bouse

Please join us at the Bouse Booster Club in Bouse, AZ to Welcome the Candidates for the 2016 Election for La Paz County Board of Supervisors for a "Meet and Greet" on Friday, May 20, 5:30pm.

We would like all the candidates for District 2 to join us. We will set up a table for each candidate where they can display anything they want to convey to the voters.

Each voter can go from table to table and talk personally or as a group to the candidates.

Each candidate will have an opportunity to convey their plans for the future of La Paz County specific to the needs of the Bouse surrounding area.

The Booster Club is located at the corner of Plomosa Rd and Frame Ave. The address is 27747 Frame Ave, Bouse, AZ 85325. Take Hwy 72 to Bouse. Turn West on Main/Plomosa Rd. Keep to right at the Y. The Bouse Booster Club is on the right just after the Y.

**Chamber meeting date  
Join us Monday  
May 9th @ 6pm**

### *Congrats to Bouse Newlyweds*

*Congratulations to Dan Weaver and Zeta Hays who were married in a small ceremony in their home on April 10! Both Zeta and Dan have been Bouse residents for many years, Zeta is an active member of the Bouse Booster Club, in charge of membership and sales of logo clothing and other Booster items. Dan keeps busy with woodworking projects. We wish them many more happy years in Bouse.*

## New Community Youth Program

Explore – Dream – Discover

AZARA, Arizona Amateur Radio Association, is a new organization for youth, ages 8-18, that is offering new educational opportunities for youth in the areas of space research, amateur radio and radio science. AZARA's licensed ham operator mentors help youth:

- Get your FCC Amateur Radio License
- Get on the air with your own radio
- Meet new friends from nearby or from around the world
- Learn to fly drones and the science that makes them work
- Build and experiment with electronics
- Learn about Solar Energy and build your own system
- Help plan a radio contact with International Space Station

In August, this exciting new year-long community program can be made available to youth in Bouse . . . and it's FREE. Started in Quartzsite earlier this season, fifteen students from Quartzsite and Ehrenberg have already been licensed into the program and are talking to their friends around the county—and some will even be speaking with astronauts over ham radio. The Radio Club will be started in June in Wenden and Salome to get students there into the program will soon be available for Bouse.

“The heart of making this and more come to life is a new regional repeater network that is already in development that will connect youth from throughout La Paz County,” said Dave Anderson, President & CEO of MyLaPaz.org.

Here are projects to take these kids through the summer:

Jun/July - Summer School NASA Space Days & AZARA Youth Radio Club

July/Aug - Community Youth Amateur Radio HF Station Setup (Quartzsite)

4July 2016 - Telescopes, Stars & Satellite Fly-Overs

Sep/Oct - NASA Lunar & Meteorite Exhibition in the Schools

Sep/Nov - Space Research in Schools

This is a new, ongoing program. Plans are already in the works for 2017 and 2018. So, get on the bandwagon today. Contact Dave at [Dave@MyLaPaz.org](mailto:Dave@MyLaPaz.org), 602-616-8338. More info can be found at [www.AZARA.org](http://www.AZARA.org).

## Bouse Elementary School

Preschool - It's hard to believe that there is only a month of school left. Our preschoolers are doing such a wonderful job, we've had so much fun this year learning about ourselves and our world. We know when to say please and thank you and how to share. This last week we have learned about birds and all the different nests they can make. The children really enjoyed making their bird nest kits to take home and share with the birds. We made geodes, too. So cool and sparkly. We're practicing our play for graduation night. It will be so cute—get your cameras ready! We'll be adding some new and fun things to our preschool playground, and need the following: PVC in all shapes and sizes, a few muffin tins, pie tins, small pots with lids, colanders, pool noodles, and small random sizes of copper or metal tubs. We'd be happy for donations if you have any of these to spare. Again, thank you to everyone who helped support our preschool this year, whether it was visiting our class for a puppet show, coming in to read, or wonderful snacks. We just want to THANK YOU from the bottom of our hearts. Mrs. Nault

Kinder, 1st and 2nd grade - We are working hard to finish off the school year. We've been learning so much: working to improve our reading and spelling, the older children are learning fractions, geometric shapes (2D and 3D), and multiplication. We're also learning how to put sentences together. Mrs. Strobel

3rd, 4th and 5th grade - Our students decorated over 50 gift bags for the Auxiliaries of the VFW and American Legion to fill with snacks for our Veterans at Prescott's VA Hospital. They did a great job and were happy for a way to thank our veterans for their service. Our class is studying Science Careers and what is involved in each area. Students chose a career and created a science poster of that career—these will be on display after May 2, 2016. Our class was chosen to write a friendly letter to students in Oregon and Alabama. It was an honor to be selected to communicate with other students . . . I'm very proud of them and their letters written in cursive. I feel very blessed to have a wonderful class and students who want to learn. Thank you to the parents for sharing your child with me this year. Mrs. Finkbeiner

6th, 7th and 8th grade - We are reviewing our whole year's worth of math and delving deep into reading comprehension using the novel "Hatchet." We're keeping summaries and comprehension tasks on each chapter. By the end, we will have a collage recounting the entire book. Most of all, we are really buckling down with the math for each grade. Students are accruing classroom money by completing each unit in math. After this month, we can all sigh in relief with the testing behind us! We wish the best to our students passing over to High School. Mr. Al-Hendi

8th grade Promotion is June 1st at 6:00 p.m. at Bouse Elementary School gym. Last day of school is June 2, 2016.

*Goodbye and safe travels to our snowbirds. We look forward to seeing you again next year.*

### Salome High School

Let's start with sports news. "The softball team has had a roller-coaster season with ups and downs," says Mr. Schuldt, coach. Both boys and girls have won awards in this year's track season. Our boys have placed third in two track meets and four to six students will qualify for the state track meet. Ms. Slucas, track coach says, "The team has been pretty successful."

Congratulations to Petty Roberts, winner of the FBLA quilt raffle! Our Future Business Leaders of America recently attended the March for Babies event and State Conference. You are invited to "like" FBLA on Facebook to see what students are doing in the community and other activities.

Six Salome High students were being inducted into the National Honor Society this year with the following requirements: a 3.0 cumulative GPA, outstanding community service, leadership experience and demonstrated integrity.

Esmeralda was crowned Prom Queen and Isaac Mondragon, King on April 16. Their court included Cassandra Calderon, Diana Garza, Theodore Manuel, and Kelten Silvia.

On April 27, 8th graders from surrounding elementary schools attended the Annual 8th Grade Visitation Day for a look at what's coming up as they transition to Salome High next year. Six Student Council members attended Leadership Day at Grand Canyon University on April 29. Student Council and FBLA took part in a scavenger hunt and tour of Diamondback Stadium on April 30 and stayed for the Diamondback game.

The Senior Banquet is May 5. Graduation will be held on May 14 at 6pm, the Spring Sports Banquet, May 10. That concludes all upcoming events for the students at Salome High School.

Our last meeting for the season will be May 8, at 10am at the Library. Please join us as we close off a spectacular season for the Friends. We've been able to provide more new books and movies this season than ever before, thanks to the growing participation from our volunteers and our supporters at our fund raisers. Our next meeting will be September 12, same time, same place.

We at the Friends are very proud of our Bouse Library, Librarian, and the volunteers who man the front desk. We all work together with La Paz County to provide our residents and winter visitors a great variety of books, movies, audio books, and magazines for their enjoyment, along with computers and Wifi to take care of online and printing needs. . . all delivered with a great service experience. This year's addition of Notary Services has proven to be much needed and used by our patrons. What a team!

Over the summer we will be planning new things to offer at the Library and The Final Chapter book store. The Library will be open regular hours all summer to serve our patrons and will be happy to accept your book and other donations for our 2016/17 season sales events. Have a great summer!

Watch for us in the Red Ribbon Parade in October and our Final Chapter reopening in November. Check out our website at its new address [www.bouseazlibraryfriends.org](http://www.bouseazlibraryfriends.org).

**Summer Scams**

"Free" Travel - Watch out for email or phone offers for a free cruise, resort stay, or airline tickets. Though they may look authentic, they often download malware into your computer if you click on the links. Assume it's a scam if they require a credit card deposit or personal info of any kind.

Vacation Rental "Bargains" - Another common summertime rip-off is lifting photos and details of properties off real estate websites to create online and newspaper ads to obtain your deposit and/or personal info. Check them out thoroughly for authenticity before you sign on the dotted line!

Flood Cars - Unscrupulous vendors buy up auction cars with water damage that insurers have declared a loss, then—after a quick cleanup—sell them to unsuspecting dealers or individuals. Get a free vehicle ID number check at VINCheck or more thorough vehicle history at Carfax and AutoCheck. Signs to watch for: strong smells, water stains on door panels, inside glove compartments or under seats, condensation in headlights and dashboard gauges. Under the hood, wires should bend easily, water submersion can make them stiff.

Tax Refund Scammers Posing as TAP - People receive emails appearing to be from Taxpayer Advocacy Panel, a volunteer board that advises the IRS on issues affecting taxpayers. They try to trick you into providing personal and financial info. If you receive such an email from "TAP" not respond or click the links in these emails. Forward the email to: [phishing@irs.gov](mailto:phishing@irs.gov).

Beware and have a scam-free summer!
